

Hugh's Haircut

	Hugh needs a haircut
	It really is a state.
	Hugh needs a haircut.
	Before it gets too late.
	We'll cut it with the scissors
	Snip, snip, snip.
	We'll trim it with the clippers.
	They buzz a little bit.
	And when the haircut's over
	Hugh can have a bath.
	Where he'll splish and splash the water
	And give a happy laugh.
