Written by Pete Wells <https://sensorystoriespodcast.com>

 <small>©storymassage.co.uk</small>	<p>Lolli Ladybird's scarlet shell is covered in big black spots</p> <p>So, she's off to see Dr Roach, she's worrying lots and lots.</p>
 <small>©storymassage.co.uk</small>	<p>Sitting nervously in the waiting room, there are mini-beasts big and small!</p> <p>Of every shape and colour, oh, they don't look well at all!</p>
 <small>©storymassage.co.uk</small>	<p>She sits next to a troubled snail, who has got no get up and go!</p> <p>He moans, "I'm going to see the doctor, to see why I'm so slow?"</p>
 <small>©storymassage.co.uk</small>	<p>Next sat a hungry caterpillar who was nervous about his meeting.</p> <p>He said, "I have to see the doctor, about my never-ending eating!"</p>
 <small>©storymassage.co.uk</small>	<p>By the plant, a sad stick insect who sobbed "It's just not fair!</p> <p>Everyone ignores me, it's like I'm not even there!"</p>
 <small>©storymassage.co.uk</small>	<p>And whizzing round the waiting room, Woody Woodlouse cries to all!</p> <p>"Each time that I get frightened, I turn into a ball!"</p>

	<p>No one sat next to the yellow wasp, who looked angry (and a little sad!) She said, “If you get close to me, I can’t help getting mad!”</p>
	<p>Next a tired looking cricket, who sobbed “There must be something wrong! Instead of sleeping when it’s night-time, I make noises all night long.”</p>
	<p>There was a rather worried firefly, whose face was filled with fright! “Quick someone tell the doctor! My bottom is alright!”</p>
	<p>Dr Roach called all into her surgery, she said, “There’s nothing wrong with you! Your features make you who are! They’re all a part of YOU!”</p>
	<p>So, if YOU’RE a little different, you’re not poorly, nor bizarre. It’s just the way that you’ve been made, you’re great the way you are!</p>
