 ©storymassage.co.uk	Let's go out to the garden. What can we hear and see?
 ©storymassage.co.uk	The buzzing of a bumble bee,
 ©storymassage.co.uk	Ants running all around,
 ©storymassage.co.uk	Wiggly worms underground.
 ©storymassage.co.uk	A ladybird with spots on her back
 ©storymassage.co.uk	Snails leaving a sticky track.
 ©storymassage.co.uk	Pretty butterflies flying overhead,
 ©storymassage.co.uk	Spiders weaving a silky web.
 ©storymassage.co.uk	Finding minibeasts is so much fun!
 ©storymassage.co.uk	Time to go inside, the day is done.
